

# Natan Hilou

## Profile

Diligent, hard-working and very social. Always ready to give my 100%.

## Employment History

### Security detail, scout at Amishav, T&M, Jerusalem

January 2018 — Present

Apart from being static security detail, I do patrols in several areas, learned how to work in a stressing environment. Always with outstanding behavior and respect towards the clients.

### Operating dedicated equipment and rescuing tools at I.D.F, Command Homefront, Jerusalem

August 2014 — August 2017

As being in a Corps called Technology and Maintenance I acquired knowledge for example from painting to greasing "nipples" of generators and compressors. In those 3 years apart from learning courses about dedicated equipment we sustained our division. As being in a Corps called Technology and Maintenance I acquired knowledge for example from painting to greasing "nipples" of generators and compressors. In those 3 years apart from learning courses about dedicated equipment we sustained our division.
